Action Alert (June 25, 2009) State Budget Bill

The Catholic Conference of Ohio is concerned with many legislative issues: the defense of all human life, from conception through natural death; care for the poor and vulnerable; and the promotion of the common good. The Catholic Church also provides direct care and education for Ohio's citizens through numerous schools, hospitals, nursing homes, and social service agencies.

Budget Crisis

HB 1, the state budget bill, has passed the Ohio House and Senate and is now in Conference Committee. A balanced budget must be passed before July 1, 2009.

Currently, the budget is projected to be \$3.2 B short. The Governor has proposed new cuts that will severely impact human service programs for Ohio's most vulnerable residents and upon parents who choose nonpublic schools for their children.

Substantial cuts are proposed in programs that provide food, mental health services, childcare, elder services, health clinic services and unemployment services.

\$59 M in cuts, over the next two years, has also been proposed in two important line items that support children enrolled in Catholic schools: Auxiliary Services and Administrative Cost Reimbursement (200511, 200532). Students in an average-sized Catholic school will receive \$40,000.00-\$100,000.00 less in resources and services in 2009/2010 unless the proposed changes are reversed.

Revenue Needs

There is much debate in the legislature over the need for new revenues. The Ohio Bishops believe that tax reform should enhance economic opportunity and job creation while securing sufficient funds to serve the common needs of society, especially those who are poor and vulnerable. The Bishops do not believe enhanced revenues from slot machines and casino gambling are in the best moral, social and economic interests of Ohio citizens.

IMMEDIATE Action Request

Ask legislators to prioritize the needs of the poor and most vulnerable, and to support Catholic schools, hospitals, nursing homes and social service programs.

Time is of the essence.

Please call or e-mail your State Senator and State Representative before Tuesday June 30, 2009.

**I am opposed to harmful cuts in human services programs.
I am opposed to \$59 M in cuts to programs helping students in Catholic schools.**

**PETER'S PENCE COLLECTION
JUNE 27 & 28**

The purpose of the collection is to provide the Holy Father with the financial means to respond with emergency assistance to those who are suffering as a result of war, oppression, natural disaster and disease. This collection enables the Pope to respond with promptness, love and compassion to our suffering brothers and sisters, so that those who suffer will not feel alone in time of misfortune. As we participate in this special appeal, let us join with Catholics worldwide in a loving expression of solidarity. Let us share in the concern of the successor of Peter for the different needs of the Universal Church.

REMINDER

SAFE ENVIRONMENT PROGRAM

For all volunteers in our parish who have contact with children, the diocese has three criteria on Safe Environment. These are a background check, a Code of Conduct and attendance at a Protecting God's Children child abuse awareness workshop. You may call the Parish Office (878-5353) if you wish to schedule a time for fingerprinting. The Code of Conduct is available on both the parish and the school web sites. Register online for any PGC workshop in the diocese: go to www.virtus.org and select the "Diocese of Columbus." There is no cost to the participant for this workshop.

GARDEN HELP NEEDED

If you are interested in helping to weed, water and otherwise take care of our parish flower beds, we need you!! Please call the Parish Office (878-5353) or let June Bergman know.

THANK YOU

Brad Brown and his family would like to sincerely thank everyone who participated in any way in the Brad Brown Open. The outpouring of love, prayers and support from this church for us has shown us how you are all living as Christ has called us to live, as "Children of Light." It is humbling to us to think of how you all gave so freely of your time and how you all used your individual gifts to collectively be the light of Christ to us in this difficult time. The people of St. Cecilia Church truly know the meaning of community and you have reinforced to us how wonderful it is to be a part of this community. Our gift back to you is our promise of continued love and constant prayer for all of your needs. May God bless all of you, Brad, Sharon, Connor and Bridget Brown
